DO YOU WANT TO CUT YOUR BUSINESS ENERGY COSTS BY UP TO 50%?

Location: Radisson Hotel Letterkenny and Local Biomass Supply Depot
Date: Thursday 8th May 2014

COILTE BIOMASS INFORMATION AND DEMONSTRATION DAY
The day will consist of a morning seminar at the Radisson Hotel operating a 350kW biomass boiler followed by plant tour of the hotel fuel store and boiler installation.

In the afternoon we have included a visit to the largest biomass supply depot in the North West region to view the full biomass processing and supply chain logistics in operation.

TOPICS COVERED ON THE DAY
Specifying Biomass Fuel
- Understand biomass supply contracts, woodchip pricing, and quality control
- The local forestry resource and security of supply

Biomass Boiler Technology and Supply Chain Logistics
- Boiler technologies
- On-site fuel storage
- Supply chain logistics

MEET ALL THE EXPERTS IN ONE ROOM, CLIENTS, BIOMASS ENGINEERS, FORESTRY EXPERTS AND BOILER SUPPLIERS

This event will cost €40 including light refreshments and transport to and from the biomass depot in the afternoon.

Book early to avoid disappointment as numbers are limited
